## INFOMATION

A portion of this class will involve the discharge of various firearms, and we will be at an outside range. Basic hearing protection will be provided, however if you wish, please bring any additional hearing protection. I would also recommend bringing a hat, sunscreen, and a light jacket in the event of a monsoon thunderstorm, as the weather and temperature can rapidly change in July. Seating is limited at the range, therefore you are welcome to bring a small folding chair.

**FIRST DAY**-Classroom at Prescott Police Department.

**SECOND DAY**-Prescott Shooting Range
