

Greetings valued members!!

The Arizona Homicide Investigators Association (AHIA) is pleased to announce the addition of two positions on the Board of Directors. We are seeking dedicated and motivated AHIA members, in good standing, who are eager to contribute their leadership, experience, and vision to the continued growth and success of the Association. These two positions will officially begin on January 1st, 2026, providing new board members with the opportunity to help guide AHIA's mission and support our membership in advancing professional development, collaboration, and investigative excellence.

If you are interested in serving on the Board, we encourage you to complete the application and email it to admin@azhia.com no later than **October 15th, 2025**. Following the application period, a secondary selection process will take place, with the two new board members being announced by **November 1st, 2025**. We sincerely appreciate your interest and participation in strengthening our growing Association and look forward to welcoming new leaders to the AHIA Board of Directors.

IN ADDITION, the Association is still exploring the possibility of updating or changing our official logo. We welcome any input from our members and would greatly appreciate any creative ideas or suggestions you may have. Please send your thoughts and designs to S_Palmer@MCSO.maricopa.gov for consideration and brainstorming.

This is an ongoing discussion, and the Board of Directors will share more details in the near future as the process develops. Thank you for your contributions and continued support in shaping the identity of AHIA. Stay safe!

AHIA President,

Stephen Palmer
