

MCAO is excited to kick off the 2025 Cold Case Homicide Investigators Meeting Group!

Come join us for bagels and coffee while we sit down to discuss **cold case homicides**, available **grant funds** for investigative purposes, and updates on our **cold case database**. Additionally, Deputy County Attorney Stephanie Low from the Maricopa County Attorney's Office Homicide Bureau will present on **Prosecuting No-Body Homicide** cases.

We will focus primarily on **Maricopa County** cases, but we are happy to have participation from agencies throughout all of Arizona. We encourage sworn, civilian, and forensic personnel to join us.

Please RSVP by clicking on the link below:
