

WELCOME TO THE 2025 AHIA CONFERENCE AT THE GILA RIVER RESORTS WILD HORSE PASS!

AHIA strives to provide a relevant and exciting training conference for our Arizona members as well as attendees from around the country. We have four days full of impactful presentations that you will not want to miss. It is also our goal that members interact with people outside their agencies and make connections with our amazing vendors. To accomplish this, we will be hosting various opportunities for networking throughout the day and during our after-hours events.

Please be sure to visit our merchandise table located in the back of the ballroom for an opportunity to purchase AHIA gear. At the merchandise table you will also be able to purchase tickets for a chance to win prizes at each break, including tickets for the gun drawing at the end of each day. Every purchase directly supports AHIA's mission to deliver high-quality training and resources to our members all year long.

AHIA 2025 CONFERENCE

All of this could not be possible without our valuable members and the support from all our sponsors, especially The Rocky Mountain Information Network. Please spend some time visiting with the vast number of vendors attending this year's conference. We ensure each vendor has a unique product or service to offer our attendees and furthers our collective mission to enhance our ability to investigate and prosecute homicides.

Please see any AHIA staff member during the week for information about upcoming events or suggestions for training you would like to see in the future.

And as always, thank you for being a part of AHIA!

-AHIA Board of Directors
