

## Join Us For Death Investigation Training in Arizona

If you handle death investigations, don't miss this opportunity to strengthen your skills by attending **two** upcoming training courses in Gilbert, AZ: *Child Homicide Investigations* and *Investigation and Prosecution of Cold Case Homicides*.

These courses run concurrently and are designed to complement each other, providing a comprehensive approach to solving complex cases. Most attendees register for both - secure your spot today!

### **Child Homicide Investigations**

November 17 - 18, 2025

[Register Now](#)

Join us for an intensive training focused on understanding and building relationships between the forensic pathologist, homicide investigator, and prosecutor in successfully investigating and prosecuting child homicide cases. Learn autopsy protocols, forensic essentials, and the criticality of determining the cause and manner of death. Understand the unique aspects of investigating a child homicide including interviewing and interrogation, suspect pool development and the role and importance of the prosecutor in gaining appropriate convictions.

### **Investigation and Prosecution of Cold Case Homicides**

November 19 - 20, 2025

[Register Now](#)

Improve investigative techniques and prosecutorial efforts needed to successfully decipher unresolved and cold cases. Explore essential investigative, forensic and prosecution methodologies through the dissection of actual cases, best practice examples, interactive discussions, and contemporary resources. Learn proven strategies to avoid complications that are detrimental to the prosecution of cold cases. Discuss practices relevant to the establishment and maintenance of an efficient cold case unit.

#### **Training Location**

Gilbert Public Safety Training Facility  
6860 S Power Road  
Gilbert, AZ 85295

*Lodging information can be found on the course webpages, linked above.*
